## OUR VISION

Celestial Studios provides a platform for a network of global Christian designers working in the creative industry laying their talents down for the Lord Jesus to use.

According to an advertising survey a well worn t-shirt is seen by over 50 000 people in it's life time. Multiply that by how many t-shirts you sell and you are part of something bigger than you can imagine.

We are also planning to produce more than just t-shirts. We have about 40 other products just waiting to be released. God willing, we are going to extend our adults range and produce other products like caps, beanies, hoodies, bible covers, cell phone socks, a kids range, a ladies range, t-shirts in Afrikaans & Zulu etc.

Our vision is to increase an awareness of Christianity on planet earth in a cool and relative way.

All our products are locally manufactured which provide much needed employment in a country that has a criminal epidemic. Over and above this, Celestial Studios are a charity initiative and profits generated are allocated to worthy causes which align themselves with James 2 v 14-20.

We are both a ministry and an initiative to change the world around us.

By becoming an agent you become part of this vision and part of our team.

## CODE OF CONDUCT

---

Celestial Studios is committed to developing a company that glorifies Christ. We believe that these products represent some of the most effective tools for communicating God's message to individuals throughout the world.

Recognizing that our company is a vital link in the propagation of the gospel of Jesus Christ, we desire to establish a standard of conduct within our industry which, when followed, will help ensure the integrity of our company.

Therefore, any agent representing us must adopt the following Code of Ethics:

With acknowledgment and affirmation of my accountability to God, to civil authority, and to Celestial Studios, I pledge that I will:

1. Deal honestly with customers and others with whom I conduct business.
2. Honour and fulfill my agreements and commitments with those whom I do business with.
3. Support our company and conduct myself in a manner, which will bring credit to Celestial Studios.

## ADVERTISING & OUR BRAND

---

Building a successful brand is not created overnight; it takes a lot of hard work. However destroying it can happen over-night, a lot like our testimony.

We also appreciate the fact that as an agent you will need to let people know about what you will be selling. As a result you might find the need to advertise.

Other than word-of-mouth, any advertising material of any kind printed or digital must be designed or approved by our studio.

Please contact us regarding any advertising you intend on doing.
